

Baker Mallett

Current Vacancy

Job title: **Assistant Quantity Surveyor**

Location: **Warrington**

Working hours / pattern: **36 hours per week**

This is a fantastic opportunity for an individual who has a keen interest in the construction industry. You will be provided with the relevant experience, support and knowledge to pursue your career and help build your future; you will also benefit from the encouragement of your colleagues.

As Assistant Quantity Surveyor, you will support other members of the team in the day-to-day management and delivery of projects. You will be involved in the entire process, from concept design to completion, helping to ensure deadlines are actively managed and report on progress when required.

You will acquire valuable skills and experience by learning on the job, developing practical skills and gain experience of a work environment.

We will offer you the opportunity to develop and become an essential part of our team.

Essential Criteria

- Good knowledge of MS Office, including Outlook, TEAMS, Word, Excel and PowerPoint
- Excellent organisational skills, with a detailed and logical approach
- Good communication skills
- Working towards a degree in Quantity surveying

About you

You will be ambitious with long term goals of a career in Quantity Surveying. You will be a team Player, confident and work well under pressure.

Benefits

- 25 days annual leave, with additional days for long service
 - Unlimited unpaid leave
 - Flexible hours
 - Pension Scheme
 - Learning and Development platform
 - Additional day off for your birthday
-

Baker Mallett

About us

Baker Mallett; a brave, diverse and distinctive company created with the future in mind. For over 100 years, our forward thinking, professional teams have delivered best value solutions for our clients, whilst maintaining the cultural ideals inherent within an LLP structure.

Everything we believe, say and do, positively impacts are employees, our clients, our communities and our environment.

Baker Mallett are a provider of professional services to the property and construction industry, with a reputation built on consistent and cost-effective project delivery, from inception to completion.

Working Nationwide and across Western Europe, Baker Mallett provides Quantity Surveying, Project Management, Building Surveying and Health & Safety Services, for both public and private sector.
